If a doctoral student: hold a master's degree and be enrolled in a doctoral programme on the date the grant is contracted.

Selection process

The selection methods to be used are:

- Curriculum Assessment, with a weighting of 50%;
- Interview, with a weighting of 50%, which will be applied to the first six candidates in the Curricular Assessment, in descending order of classification. The interview may be held by videoconference.

The respective evaluation parameters are:

a) In the Curricular Assessment:

- o Experience of working in research team(s) (up to 5 points): the number of projects, their duration, roles taken on, activities performed are valued;
- o Papers published in the field (up to 5 points): papers in journals with an impact factor, authorship as first author are valued; papers submitted under review may be admitted;
- o Participation in scientific conferences in the field (up to 5 points)
- o Experience as a trainer or lecturer in higher education (up to 5 points).

b) Interview: aims to assess behavioural aspects, particularly those related to motivation (up to 10 points) and oral and written expression in English and Portuguese (up to 10 points)..

Candidates are excluded from the competition on the following grounds:

1. if (s)he does not possess the general and specific requirements required in point 2;
2. If (s)he obtains less than 8 in the evaluation of modelation skills and less than 9,5 points in the interview;
3. If (s)he misses the interview.

After analysing the applications and evaluating the candidates according to the components considered, the candidates will be ranked in descending order of scores. The candidate with the highest score will be selected. In case of equality, the tie-breaker will be based on the best classification in the Interview.

If the tie remains, the Jury will hold a vote in which all members will vote. In case of a new tie, the President of the Jury will have the casting vote.

Additional comments

The call is open for 10 working days, from announcement publication.
